2. Using Stampin' Cut & Emboss Machine, die cut half circle from small flap of cardbase using 2nd smallest circle die.
3. Without adhering, place 4" x 2" DSP to front of flap like you were adhering in place, making sure entire card is laying flat. Feel for circle cut out and using a pencil, mark about 1/8" down and to the sides of the opening. This is where you will place the 3rd largest circle die and cut. Adhere to FRONT of flap using Stampin' Seal.
4. Using Multipurpose Liquid Glue, glue the sides only of the gift card flap, fold in and press down.
5. Adhere 4" x 3" DSP to front of card base using Stampin' Seal.
6. Adhere 4" x 2" DSP to front of card base on the right side using Stampin' Seal.
7. Stamp inside sentiment using Memento Tuxedo Black Ink Pad.
8. Stamp sentiment and present onto 3 ¼" x 1 7/8" Basic White card stock using Memento Tuxedo Black Ink Pad. Color present with Stampin' Blends.
9. Die cut 4" x 2 ¾" Real Red Cardstock using 3rd largest Scalloped Die.
10. Adhere Basic White panel to center of Real Red panel using Stampin' Seal.
11. Place Stampin' Seal on the left back side of the red panel and the middle of the far-right card front panel that opens. Center Real Red panel over card front and adhere. Make sure no adhesive goes past the opening flap or the card won't open.
12. Cut 12" of Real Red Sheer Ribbon in half lengthwise so you have 2 long pieces. Tie one piece into a bow and adhere to bow on present using a glue dot. Trim ends if needed.
13. Glue a ¼" strip of DSP to left side of envelope and trim if needed. (Optional)
