Instructions:

1. Fold and burnish scored Misty Moonlight card base at 4 ¼".
2. Adhere DSP to front of card base using Stampin' Seal.
3. Run 5 ¼" x 4" Basic White cardstock through Merry Melody 3D Embossing Folder. Tear all 4 edges and adhere to DSP using Stampin' Seal.
4. Stamp angel image in VERSAMARK onto 4 ½" x 2 ½" Basic White cardstock. Sprinkle with silver embossing powder and heat set using the heat tool.
5. Squeeze Misty Moonlight ink pad together then open, this puts a little ink in the cover. Put a drop or two of water (I use 97% rubbing alcohol because it dries quicker) into the ink in the cover using the Water Painter. Mix together and color in the angel's dress and bird. Make sure not to color in the tiny piece of hair over the dress like I did. Wipe off ink on embossed sections with soft cloth.
6. Repeat step 5 using Daffodil Delight to color in the hair.
7. Color in the wings using Wink of Stella. Adhere angel to embossed Basic White panel using Stampin' Seal.
8. Die cut all 3 clouds from the Give it a Whirl die set in Silver Foil. Adhere the smaller two at the bottom of the dress using Stampin' Seal. Adhere the larger one between the 2 smaller ones using a Stampin' Dimensional.
9. Stamp sentiment onto 2" x 2" Basic White cardstock using VERSAMARK Ink. Sprinkle with silver embossing powder and heat set using the Heat Tool. Die cut the sentiment using the largest cloud die. Adhere to the middle cloud slightly to the right using Stampin' Seal.
10. Tie mesh ribbon into bow and adhere to card front using a glue dot.
11. Decorate inside panel as desired.
12. Decorate Basic White Envelope as desired.
13. Enjoy!
