Instructions For Box:

1. Cut Soft Suede Cardstock to 6 1/2" x 2 3/4". Score the 6 1/2" (long) side at: 1 1/2", 3", 4 1/2" & 6". Turn 1/4 turn and score the 2 3/4" (short) side at 1". See the diagram above for where to trim. Fold and burnish all score lines and assemble box. I used Multipurpose Liquid Glue as my adhesive, but Tear & Tape works well too. It just needs to be a strong adhesive.

Instructions for Houses:

1. Stamp house in Soft Suede ink onto 3" x 2" Basic White piece. You may need to stamp twice to get a rich color. It is easy to realign to restamp. The Stamparatus works well too. Die cut once dry. The white edge around the house looks like the icing of a gingerbread house!
2. Die cut house from the 3" x 2" Soft Suede Piece for the back of the box.
3. Die cut cloud bubble and roof in Basic White and set aside.
4. Stamp windows and plain gumdrop in Daffodil Delight, door and lollipops in Sweet Sorbet, and trees and sugared gumdrops in Parakeet Party. Die cut all pieces.
5. Stamp sentiment onto cloud bubble in Parakeet Party.
6. Stamp filigree in VersaMark onto front panel of house. Sprinkle with white embossing powder and heat set.
7. Adhere roof, windows, door, trees, and gumdrops using Multipurpose Liquid Glue.
8. Adhere front and back house panels to box using Multipurpose Liquid Glue.
9. Adhere the right lollipop to the cloud bubble using a Mini Stampin' Dimensional. Adhere the left lollipop a little higher using Multipurpose Liquid Glue. Adhere the cloud bubble behind the back of the house using Multipurpose Liquid Glue.
10. Fill with Hershey Kisses or candy of choice. Fill with Sweet Sorbet shredded paper.
11. Enjoy!
