3. Die cut 3 snowflakes and adhere to embossed card front using Multipurpose Liquid Glue.
4. Stamp one of each color mitten onto the 7 - 1 ¾" x 2 ½" Basic White pieces, making sure to clean stamp in between colors. Die cut mittens and adhere to embossed card front as shown using Stampin' Seal.
5. Stamp sentiment in VersaMark onto Basic Black Cardstock. Sprinkle white embossing powder over sentiment and flick off excess powder. Heat emboss with the Heat Tool. Trim around sentiment to create 2 separate words. Adhere using Mini Stampin' Dimensionals.
6. Place Iridescent Rhinestone Jewels as shown.

Slimline Envelop Instructions:

1. Start with an 8 ½" x 11" piece of Thick Basic White Cardstock.
2. Using the Paper Trimmer with the 8 ½" side at the top, score at 2 ½" & 6 ½".
3. Rotate cardstock ¼ turn so the 11" side is at the top and score at 1 ½" & 10 ½".
4. Cut all 4 corners off at the score lines.
5. With the larger extended flap at the top, tick off ¼" on both sides of the envelope panels (at the top) then cut a diagonal from the bottom of the flap to the ¼" tick. We are just angling the top of the sides slightly.
6. Cut a small diagonal on both sides of the protruding smaller rectangle at the bottom.
7. Fold and burnish all score lines.
8. Fold in small side panel. Place Tear & Tape along inside edge of larger side panel, remove cover and adhere to small flap. Using a Bone Folder, burnish tape so it adheres flaps together. Place Tear & Tape on the inside of the small bottom flap, remove cover and fold over to adhere. Burnish with Bone Folder.
9. If you have a corner rounder, round the top corners. Place a strip of Tear & Tape at the top of the inside flap but leave cover on tape until ready to seal envelope.
10. Enjoy!
